

DEERWOOD BANK

How to Set Up and Use Samsung Pay

Samsung Pay makes it even easier to make purchases with your Deerwood Bank Debit Mastercard®.

Compatible Devices

All devices with digital wallet capabilities.

One-Time Setup

1. Look for the Samsung Pay app on your phone. If you don't find it, download it from the Google Play Store.
2. Open the Samsung Pay app.
3. To add your card, click on Add at the top of the screen.
4. Use your phone's camera to scan your card's number and expiration date. (You can also enter it manually.)
5. Enter the three-digit security code on the back of your card.
6. If you are asked to call the bank to verify your card, please call 866-205-9449 (SHAZAM 24hr) or Deerwood Bank 218-825-8946.

SHAZAM Bolt\$ users

If you are enrolled in our SHAZAM Bolt\$ Fraud Watch program, you will receive an additional notification to verify your card. If you are asked to call the bank to verify your card, please call 866-205-9449 (SHAZAM 24hr) or Deerwood Bank 218-825-8946.

Using Samsung Pay

You may use your card at most terminals that accept debit cards.

If you see the mobile wallet symbol:

1. Place the top of your phone near the symbol.
2. Swipe up on your phone screen while it is locked or open.
3. Use your fingerprint or secure code to authorize the transaction.

If you don't see the mobile wallet symbol:

1. Hold the phone near the magnetic card reader. (This option is only available with Samsung Pay.)
2. Swipe up on your phone screen while it is locked or open.
3. Use your fingerprint or secure code to authorize the transaction.
