DEERWOOD BANK EST. 1910

How to Set Up and Use Apple Pay

Apple Pay™ makes it even easier to make purchases with your Deerwood Bank Debit Mastercard®.

Compatible Devices

- iPhone 6 and 6 Plus
- iPhone 6s, 6s Plus and SE
- iPhone 7 and 7 Plus
- Any Apple iPhone that was manufactured within the last 5 years.
- Apple Watch

One-Time Setup

1. Open the Wallet app on your iPhone (usually on the main screen).
2. To add your card, click on the plus symbol in the upper right corner.
3. Use your phone's camera to scan your card's number and expiration date. (You can also enter it manually.)
4. Enter the three-digit security code on the back of your card.
5. If you have used your card with iTunes, the App Store or other Apple payment systems, your card will likely be added instantly.
6. If you are asked to call the bank to activate your card, please call 866-205-9449 (24hr) or Deerwood Bank 218-825-8946.
7. Start using Apple Pay.

Shazam Brella users

If you are enrolled in our Shazam Brella Fraud Watch program, you will receive an additional notification to verify your card. If you are asked to call the bank to activate your card, please call 866-508-2693 (24hr) or Deerwood Bank 218-825-8946.

Using Apple Pay

1. Look for terminals with the mobile wallet or Apple Pay symbols. (Visit the Apple website for a list of stores that accept Apple Pay.)

2. Place the top of your phone near the symbol.
3. Hold your finger over the home button at the bottom of your phone.
4. Your payment should be completed within a couple of seconds.
