

KEEPING YOU IN THE LOOP

Hello YES Clubbers,

I hope that you all are having a wonderful fall season, wherever you may be enjoying it. Things are bustling here at the bank as we continue to move forward into the final months of what has been a very busy and exciting 2022. To our snowbirds heading south for the winter months, I hope you have a wonderful and warm vacation season. To those of you (like me) who are staying up north, let's get our boots on and get prepared for the cold ahead!

Due to recent recommendations from the CDC and local health officials, we are saddened to announce that we will not be hosting a holiday Christmas party this year. While we love to host our YES Clubbers at this event each year, your safety and the safety of our staff remains our top priority. We look forward to seeing you all at next summer's picnic. In the meantime, please be sure to consider joining our Chanhassen Theatre Trip that we are hosting this January. Details for this day can be found below.

Be well and I look forward to seeing you all in the near future. Talk soon.

DRIVER SAFETY PROGRAM

The Highway Safety Research Center is a state approved accident prevention/insurance discount course that is open to the public. We will be advertising classes in each letter of the YES Club for your convenience. If you already have had the 8-hour course with a previous company then there is no need to take it again; just sign up for the 4-hour course. Below are some of the classes being offered in our markets. If you are in need of any additional information, please contact Lisa in the Garrison office. Cost for the 4-hour refresher course is \$24.00 and the 8-hour course is \$28.00. To register or for more information visit www.drivediscountprogram.com or call 1-888-234-1294.
